Commitment and Vision for Equity, Diversity, and Inclusivity

The Holmdel Theatre Company has served the communities of Central Jersey for over 30 years. As guided by our mission, “to present fresh interpretations of classic plays, rarely presented modern dramas, and comedies while providing opportunities for students and non-professionals to work with professional theatre artists in a collaborative, artistic, and educational exchange,” we recognize and uphold the importance have a truly equitable, diverse, and inclusive organization.

We do so through:

- **The production and presentation of professional theatre**
- **The encouragement, training, and development of artists**
- **The partnerships with BIPOC performing companies**
- **The cultivation of diverse audiences**
- **The preservation of its theatre building, a historic landmark within our town**

We are committed to celebrating and reflecting the diverse community we serve by heightening Equity, Diversity, and Inclusion initiatives into our programs, our partners, and workplace.
